

Mansion in the southern part of Sweden (Småland, Växjö, Nöbbele)

Size 525 sqm 10 bedrooms 5 bathrooms 2 kitchen

Land 60 927 sqm 3 extra buildings (650 sqm, 155 sqm, 66 sqm)

Hermanstorp dates back to the early 1500s. A beautiful alley leading to the mansion which was moved to its present location in 1845. The building has undergone a contemporary renovation the last 8 years in order to restore the mansion to its original state. Entrance floor with its large magnificent space throughout the building.

The building has 8 fireplaces and a powerful iron stove. Geothermal heating ensures a stable operating cost. You see the lake Rottnen from the estate and a wonderful and pure nature.

The property is approximately 27 kilometers (30 min) from Växjö.

Here is the place that provides the opportunity for a creative and imaginative development.
